### **Safeguarding and Welfare Requirement: Information and records**

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met

## **10.8 Transfer of records to school**

### **Policy statement**

We recognise that children sometimes move to another early years setting before they go on to school although many will leave our setting to enter a nursery or reception class.

We prepare children for these transitions and involve parents and the receiving setting in this process. We prepare records about a child's development and learning in the EYFS in our setting; in order to enable smooth transitions we share appropriate information with the receiving setting or school at transfer.

Confidential records are shared where there have been child protection concerns according to the process required by our Local Safeguarding Children Board.

The procedure guides this process and determines what information we can and cannot share with a receiving school or setting.

### **Procedures**

#### *Transfer of development records for a child moving to another early years setting or school*

- Using the EYFS assessment of development and learning ensure the key person prepares a summary of achievements in the 7 areas of learning and development.
- This record refers to any additional language spoken by the child and his or her progress in both languages.
- The record also refers to any additional needs that have been identified or addressed by the setting.
- The record also refers to any special needs or disability and whether a CAF was raised in respect of special needs or disability, whether there is a Statement of Special Educational Needs and gives the name of the lead professional.
- The record contains a summary by the key person and a summary of the parent's view of the child.
- The document may be accompanied by other evidence such as photos or drawings that the child has made.
- For transfer to school, most local authorities provide an assessment summary format or a transition record for the setting to follow.
- If there have been any welfare or protection concerns a star is placed on the front of the assessment record.
